***Red Ribbon Week Kick Off!***

**Purpose:** At Lithonia Middle School our mission is to "Empower all students with effective tools to become responsible citizens and continuous learners in a transitional world." One of the essential components to student achievement within a school is having sufficient community involvement and support. By promoting community involvement we plan to transform Lithonia Middle School and other DeKalb schools into some of the top schools in the state of Georgia. It is important that we join together for the benefit of our local schools and businesses. We welcome the support of all residents of DeKalb County.

**Parent/Community Member.**

**If you would like a to reserve an area for vendor space at our community day to sell or promote non-food items please contact Mrs. Benton at (678)875-0708 by Thursday October 22<sup>nd</sup>, 2009**
